

NEXT LEVEL COLLABORATION AT LEVEL TWO

Coworking, conference and
business opportunities.
Managed by Altitude Meetings.

Opening 2024.

- 8 conference rooms
- A unique Collaboration Arena
- Coworking membership

You will find Level Two
on the second floor
inside The Loop-building.
Welcome to coworking,
conferences and
collaboration in the
heart of Science Village.

LEVEL TWO

- **Coworking & office spaces:** Flexible desks and cozy lounge areas. A vibrant playful atmosphere that still allows you to work in peace and quiet.
- **Conference rooms:** Amazing rooms for meetings, conferences, workshops and events. Always with the most tasty *fika*!
- **Collaboration Arena:** Access to a unique network of entrepreneurs, researchers, business leaders and politicians, and professional workshop facilitators. For companies ready to accelerate, find new business solutions and opportunities.

This is next level collaboration.

About The Loop

- Opens in 2024. 6 floors, 11,000 square meters of office space.
- The Loop and Level Two is about connecting science, business and music. To gain commercial benefits from the building's unique location, great networking and exciting cross boarding collaborating.
- On the ground floor you will find "Science Village Hall" with a capacity of 1000 people – the obvious place for concerts, events, seminars and congresses.
